# Godfrey Graphix

Our graphic design and production services extend to nearly every aspect of your promotional projects and campaigns. We provide a range of imaging services from grand format banners and frameless fabric graphics to rigid and roll-up graphics – front or backlit. We have a talented in-house graphic design and production staff for:

- Background graphics for press conferences and news events.
- Signage, banners and backlit graphics for retail environments and mall events.
- Experiential and outdoor event graphics and structures.
- Merchandising and point of purchase display graphics

Fabric graphics for custom shapes

Grand Format graphics for overhead banners and special events.

Backlit graphics for light box, merchandising and special events.

Roll-up graphics for high impact and handling convenience.

Fabric and roll-up graphics for Towers, counters and sampling stations
